ZONE 2

ZONE 1

ZONE 3

A Desert Adventure

We've created **ZOO ZONES** to guide your educational visit through The Living Desert.

Questions about desert

- Adaptations
- Habitat
- Pollination
- Food Chain
- Endangered Species

will be answered by volunteers and are designed to prompt discussions and further exploration. Look for our volunteers in red or blue shirts for your answers.

What else did you see?

Did you see & experience the:

- Discovery Center
- Carousel Ride
- Wildlife Wonders
- Animal Show
- Giraffe Chat
- Petting Kraal
- Train Garden
- Un-Nature Trail

How many animals did you encounter today?

What was the most fascinating thing you learned today?

ZONE 1

Cahuilla Station

See how the Cahuilla people adapted to desert life.

- What did they call their house?
- What did the Cahuilla people gather?
- What plants did they use for medicine?

Packrat Station

Observe how packrats live.

- How do they collect the cholla cactus segments?
- Why would this be a safe home for a packrat?
- Why are they called packrats?

ZONE 2

Palm Oasis Station

Discover the ecology of a desert Palm Oasis.

- What animals live in a Palm Oasis habitat?
- Where does the water come from?
- What food is found in the oasis?

Raptor Station

Explore the world of raptors and their habitats.

- What is a raptor?
- Can you name some desert raptors?
- Which raptor hunts at night?

ZONE 3

Village WaTuTu Station

Explore how African people lived and flourished in a desert habitat.

- What business takes place in an African trading village?
- What animals live near the village?
- What animals might they have hunted for food?

Endangered Species Station

Discover how an animal becomes endangered.

- What does it mean to be an Endangered Species?
- What is SSP?
- What can I do to help endangered animals?
